| <b>Cable Length</b>      | 15 m                                                                                        |
| <b>Weight</b>            | 6.5 kg                                                                                      |
| <b>Warranty</b>          | 24 months                                                                                   |

## Exceptional Experience

### About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.

E 20

# Discover an Exceptional Experience

All swim, no work. That's the life for you. Forget about scrubbing the floor and scooping out leaves and dirt - the Dolphin E 20 robotic pool cleaner does it all for you, automatically. The Dolphin E 20 leaves your pool floor clean of dirt and algae, and the pool water sparkling clean, ready for fun whenever you are.

## Effortless operation

- Top-access filtration system – easy to remove and clean
- Lightweight and easy to handle
- Fast, debris-free water release

## Crystal-clear cleaning results

- Active brushing action, scrub away algae and bacteria
- Effective, easy-to-use fine filtration system
- Efficient dirt collection - Collects fine and rough debris

## Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Rapid service and repair

## Dolphin E 20

The Dolphin E 20 is the robot of your dreams on an affordable budget. This lightweight, small robot is ideal for all types of small pools, including above-ground pools, cleans pool floor and walls.

-  Active brushing  
effective scrubbing and cleaning  
scrub away algae and bacteria
-  Easy-Clean Net Basket
-  Quick water release
-  Wall climbing
-  Lightweight  
Easy to lift and handle
-  Fast Fix, easy repair
